

At a glance

Durable, efficient wall and ceiling luminaire with or without sensor

- Long lifetime with up to 50,000 h
- High efficiency with up to 100 lm/W
- Pleasant room atmosphere with indirect accent light
- Two light colours (3,000/4,000 K)
- Sensor concealed inside the luminaire
- Diffuse light distribution through PMMA diffuser

-60 % energy
compared to 2x18/1x26W CFL

Light is easy PrevaLight® Surface

Light is OSRAM

sitEco

OSRAM

Efficient, durable, timeless.

As a classic wall and ceiling luminaire, PrevaLight® Surface generates uniform, diffuse light for a pleasant room atmosphere. The luminaire is optionally available with a motion and daylight sensor integrated in the interior. In this way, PrevaLight® Surface efficiently illuminates heavily frequented areas in a simple, timeless design. Protected in IK02 and IP44, it is also suitable for rooms with increased humidity.

Application

- Stairways, corridors and lobbies
- Halls and canteens
- Common and social rooms
- Technical equipment, utility rooms and workrooms
- Bath rooms and toilets

PrevaLight® Surface

IP44, service life: 50,000h (L70/B50) @ ta 25°C), permissible ambient temperature for outdoor applications: -20...+40°C.
