Product End-of-Life (EOL) Notification

Affected Part Number(s):	EOL No.
LTP-T0T100000-3B1; LTP-T0T10000H-3B1; LTP-T0T1xxxxxy-3Bz where x = 2184, 3684, 4684; y = 0 or H; z = 1, 5 or 7	37

Part Description:	Date:
Gen3.0 LuxiTune light engine 1600K-4300K, 2000lm; Gen3.0 LuxiTune light engine 1600K-4300K, 2000lm kits with cable, TIRs, daughter cards; custom variations	8/15/2019

Recommended Replacement Part Number(s):
LTP-Z0T300000-3B1; LTP-Z0T30000H-3B1

Reason for EOL:
Gen 3.0 is replaced by Gen 3.1. The Gen 3.1 light engine uses an emitter that supports a larger tuning range from 1800K-6500K and there is improvement over Gen 3.0 in color quality, efficiency.

Last Order Date:	Last Shipment Date:
8/30/2019	8/30/2019

Disposition of Existing Inventory
LuxiTune primarily sold direct to luminaire manufacturers. Use up stock if designed in, and migrate to improved Gen 3.1.

NOTE:
The TIRs and daughter cards are sold separately with the Gen 3.1 product and the compatible part numbers are in each product datasheet.
