LED driver

LED drivers – Linear

OPTOTRONIC Intelligent Industry – DEXAL (non-isolated)
OPTOTRONIC Intelligent – DEXAL (non-isolated)
OPTOTRONIC Intelligent – DEXAL (SELV)

LED drivers – Compact

OPTOTRONIC Intelligent – DEXAL
OPTOTRONIC Intelligent – Qualified Bluetooth Mesh (built-in)
OPTOTRONIC Intelligent – Qualified Bluetooth Mesh (independent)

LED module

LED module – Linear

PrevaLED Linear IND G1
PrevaLED Linear G6
PrevaLED Linear G5
Basic Linear G3

LED module – Area

PrevaLED Area G5
Basic Area G2

LED module – Bar

PrevaLED Bar G4

LED module – Compact

PrevaLED COIN
PrevaLED COIN DIM to Warm

Light management system

Light Management Components

Qualified Bluetooth mesh DEXAL Module
Qualified Bluetooth mesh Mains Sensor LS/PD ceiling installation
Qualified Bluetooth mesh Mains Sensor LS/PD high bay
Qualified Bluetooth mesh DALI Converter
Qualified Bluetooth mesh push button coupler
EASYFIT Bluetooth switch
