

Shipping Instructions for suppliers

Dear valued supplier!

We kindly ask you to follow below mentioned shipping instructions for shipments to:

Invoice address:

ams Sensors Belgium
Borsbeeksebrug 36
2600 Berchem
BELGIUM

Delivery address:

ams Sensors Belgium
Borsbeeksebrug 22
2600 Berchem
BELGIUM

For shipments with max. 68 kg for the heaviest package and total shipment is not more than 300kg – not on pallets – please use UPS.

- Choose as Billing option:
Bill transportation charges to: Recipient
Bill duties and taxes to: Recipient
For account number kindly refer to individual buyer
- Kind of Service: UPS Express Saver
- Do not insert a value inside the field declared or carriage value – ams-OSRAM Group is already transport insured!
For incurred insurance costs, the sender (supplier) will be held liable.
- Insert our purchase order number inside field reference
- Shipment Consolidation: In case of more shipments to the same recipient address, please consolidate into one shipment per day.

For >300 kg chargeable weight or for pallet(s) please contact the responsible purchaser + globaltransport@ams.com

For cross-border shipments a Shipping/Customs Invoice is needed.
