

XBO[®] service platform: Your all-access pass to our expertise

osram.com/xbo

The ams OSRAM XBO® Service Platform puts the comprehensive knowledge of ams OSRAM's cinema lighting professionals at your fingertips. Our app for Android and iOS is an industry first, designed with cinema technicians in mind.

To keep the tool simple and easy to access for our customers, we do not require registration.

The XBO® Service Platform is an easy to use and time-saving tool offering the following functions:

General XBO® product information

- Find product-related information, such as technical data and warranty timeframes, for each lamp type according to the projector type

Training & technical support

- Get a view of the XBO® lamp production
- Learn how to install OSRAM's XBO® lamps in various projector types
- Troubleshoot the lamp issues with helpful videos and step-by-step instructions

News

- Get the latest scoop on events, product launches and promotions

Contact information

- Reach our local and global XBO® experts easily

Download the app and have almost 70 years of XBO® lighting expertise with you at all times!
